

Fresh Wipe

Fresh wipes also called fresh cleaning wipes, which offer a multi-purpose, super-absorbent design with antimicrobial to help inhibit the growth of odor-causing bacteria. Fresh wipes can be used for cleaning kitchen, restaurant, bathroom, desk, and other equipment, soft and fine fibers will never scratch the surface of the equipment, and have the features of lint free, bio-degradable and good absorbance.

Based on 100% Rayon. The extreme absorption with water and oily stuff provides convenience. For our unique green earth, we adopt the recycleable material for protecting the environment. By special water-processed method, the fluffed cotton cannot easily float away. Easy to wash, quick dry, resulting in a bacteria-proof environment. No Starch, No fluorescence substance, and other chemical medicine. Our daily wipes can keep its' shape after 10 times machine washing.

Daily Cleaning:
