Disposable towels

Disposable towels are made of spunlace nonwoven material. Soft, high liquid absorbancy, low cost and no washing are the main advantages of such disposable guest towels. This wonderful disposable towels are light and very absorbent and will wipe the entire body.

These disposable towels are sanitary, virtually lint free, and highly absorbent and are non-treated. And these disposable towels are good for general wiping, cleaning and polishing on dry, wet or oily surfaces. Extra large, extra strong! Not "paper towels." and Great for clean-up of spills or for drying hands.
