**Fresh wipe**

Fresh wipe offers a multi-purpose, super-absorbent design with antimicrobial to help inhibit the growth of odor-causing bacteria. Fresh wipe can be used for cleaning kitchen, restaurant, bathroom, desk, and other equipment, soft and fine fibers will never scratch the surface of the equipment, and have the features of lint free, bio-degradable and good absorbancy.

Extreme absorption with water and oily stuff provides convenience. For our unique green earth, we adopt the recyclable material for protecting the environment. Easy to wash, quick dry, resulting in a bacteria-proof environment. The fresh wipe is no Starch, no fluorescence substance, and other chemical composition.
