**Kimono Robes**

A kimono robe is the quintessential symbol of the Asian cultures. This garment has its long history rooted in the very heart of the Chinese culture. The kimono originated in the fifth century and was later made more modern to include kimono robes that are essentially all one size for both men's and women's Chinese dress.

The style of the kimono is robe. At the waist, in the robe, there are two rope that could be tied. And the back there is a thin belt that could make a butterfly knot. Standard U.S. size: take the 3 measurement below to arrive at size:

Size	Bust	Waist	Hip
S	34-36"	28-30"	32-33"
M	38-40"	32-34"	33-34"
L	42-44"	36-38"	34-35"
XL	46-48"	40-42"	35-36"
XXL	50-52"	44-46"	36-37"
XXXL	54-56"	48-50"	37-38"
