**Lens cleaning wipe**

Lens cleaning wipes are pre-moistened lens tissues. Use lens cleaning wipe on eye glasses, computer screens, goggles, glass or plastic surfaces for a crystal clear, streak free finish. Lens cleaning wipes are anti-static, anti-fog, and silicone free.

The glass cleaning wipe is exquisite and soft, no floss. There is the new pure cleansing component in the prescription. Lens cleaning wipes Remove dust, dirt, oil, grease, smudges, water spots, fingerprints, smoke film and more from glass surfaces! Also It can use for lens and glasses in the experiment. It is no harmful to the electron and the eyeglass. It has good volatility. This multi-purpose new glass, lens, and surface cleaner combines the best streak free glass cleaner and disposable lint free towel available today.
