RIWAY NONWOVEN IN

[Home >](#) [Products list >](#) [Functional wet wipes >](#) [Medical wipes](#)

Medical Wipes

In the medical field there are many important factors. Durability, softness, and absorbency are all critical to patient care. For medical needs, being disposable is also a necessity. We can provide you with a quality product that is also cost effective.

Medical wipe is made of spunlace nonwoven or thermalbonded nonwoven, which can be sopped into various disinfectants to make free from live bacteria or other microorganisms and virus, such as epiphyte, Staphylococcus, Escherichiacoli and Picibanil. The RIWAY medical tissue works very well at family, hotel, travelling and hospital.
