**Neckband**

People used to wrap up a big neckerchief or towels to avoid dirty their coat in the daily hairdressing. The big neckerchief is waterproof and texture is hard so it can not stick down the fractional hair. dirt on the towel is difficult to clean. Also many people share one neckerchief that cutaneous diseases will spread abroad one by one easily.

Our nonwoven neckband is made of 100% nonwoven material, with no chemical compositions. As a one-off nonwoven beauty product, it is soft and comfortable, sanitary, no harm to your skin. And it can stop the hair drop on the neck to bring the comfortlessness. hair dye will not adhere to your neck or collapsible. The dyeing cream or hairdressing supplies will not permeate on your collar in hair-dyeing or do up your hair. It is a optimal choice.
