RIWAY NONWOVEN

[Home](#) > [Products](#) > [Functional Dry wipes](#) > [Patient Wipes](#)

Patient Wipes

The patient wipe is one kind of patient care products. These patient wipes are made of high-quality woodpulp spunlace nonwoven fabric after special technical treatment. The product have been selling well in Europe, USA and Japan market. Patient wipes has the features of soft, absorbent, cloth-like wipers for gentle wiping, cleaning and polishing. RIWAY wipes clean, wet or dry, yet resist tearing and shredding. Because of their lint-free characteristic, RIWAY patient wipes are ideal for wiping precision parts and components, and for use in all patient.

Wherever people are treated and cared for, measures must be taken to protect patients as well as attending physicians and nurses against the transmission of germs. For example the extensive range with disposable products such as blankets and pillows, protective bed sheets, disposable wipes, washing gloves, bibs, face masks etc.
