Home > Products > Pet care product > Pet wipe

**Pet wipe**

After outdoor play your pets may carry plentiful feculence and bacteria home. And the pets like to lap the claw and hair which can infect the bacteria and fall sick. So it is very important to use the pet cleaning wipes to clean you pet cat or pet dog frequently. After each outdoor play you should clean the claw, abdomen and buttocks of the pet. Also you should clean the nest and clear away the egesta of the pet. This pet care product can avoid spread of the bacteria which make your pet keep healthy body and keep the house's sanitation.

This nonwoven pet care product is a professional pet care wipe for different purpose, treated with an antibacterial formula which can be used to wipe away debris on different parts of pets, keep them clean and healthy; Material of the pet cleaning wipes are high grade nonwoven. The pet care product can clean up the feculence on the hair and claw of the pet. It is no irritative and hurt to your pet. Alcohol free, no side-effect, clean, antibacterial, soft, convenient are the features of the wipes.
