RIWAY NONWOVEN

Home > Products > Daily wet wipes > wet facial towel

wet facial towel

The wet facial towels are thick and strong with a mild antibacterial cleansing solution for use on your hands and face. This nonwoven product is made of quilted spunlace fabric provides better durability than pressed paper wipes. The soft wipe won't scratch or dry out skin. Slim round container fits in car drink holders and on countertops. Healthy and handy item for home, school, work or play. And it have the flip-top lid for easy dispensing.

The nonwoven wet facial wipes can kill germs and bacteria while moisturizing your skin leaving it soft and smooth. The wet facial towels are convenient, easy to carry and can be used anytime anywhere.
